

**GM Report
PVH Subdistrict
October 17, 2018**

NWDC Water Project:

- Workmanship Issues – New process with KRS to check new connections weekly is working well and service line connections are being addressed before water leaks can cause corrosion.
- Water Losses –South Metro Fire will now coordinate with Mike or me whenever they do training in our service area or Dominion's.
- Revegetation/Erosion Issues – Reseeding/regrading has been completed. All residents seem to be happy.
