NWDC Water Project:

- Final draw request and the close out of the project with the Colorado Water Resource Power Development Authority is complete. Unexpended loan funds will be used to pay interest on the loan. We have requested a revised repayment schedule.
- KRS hired M&M Cathodic Protection Services, Inc. to challenge our assessment that service line leaks were caused by poor workmanship in Chatfield East and Chatfield Estates. Reviewing their Report, next steps and cost implications with TST.
- We finalizing the payment to Douglas County for the remainder of the unexpended County contribution to the NWDC Project and their portion of the SDCs for all 2017 connections. Payment due to the County before the end of the 1st Quarter of 2018.
