

**GM Report RWSD  
February 19, 2020**

**Information only**

**May 2020 Board Election:**

- Three self-nomination forms have been received and interest has been expressed by another 2-3 residents, so the District will have an election to fill two open seats on the Board in May.
- Following the February 28 deadline to submit self-nomination forms, we will request a short bio from each of the candidates and post them on the website.

**Information only**

**2020 Rate Study:**

- We kicked off the annual rate study on February 6. No significant changes are anticipated this year. Annual public hearing on rates is scheduled for the March 18 Board meetings.

**Information only**

**Dominion/Sterling Ranch:**

- Overall operations going well.
- Continued discussions of Dominion's requested amendment to the O-Line Agreement. Alan, Bill and I will provide an update on negotiations in executive session at the Board meeting.
- We are still waiting for proposed plans and a draft agreement related to Sterling Ranch's proposed temporary and permanent emergency interconnects.
- Grading and drainage improvements along the east side of Rampart Road will require Sterling Ranch to relocate a section of the District's 16-inch water line. We are still waiting for final plans and specifications for review. We have also asked to review the plans and specifications for relocation of the Ravenna pipeline.

**Information only**

**Inclusions:**

- Meeting scheduled with the owners of the 42-acre parcel between Cronen and Seven Stones on February 28.

**Information only**

**Ravenna:**

- Ravenna made a presentation to the Douglas County Commissions on February 10 concerning plans for a land swap with Denver Water that will allow the addition of 12 additional home sites.

**Information only**

**Water Irrigation:**

- Evaluating alternative to store Meadow Ditch water in Chatfield under a revised agreement with Centennial Water and Sanitation District. Preliminary discussions have been positive.

**Information only**

**2020 General Assembly:**

- Alan and I can provide an update on a number of bills that have been introduced that, if enacted, may affect District operations.

**Information only**

**Public Outreach:**

- We will again be doing the Garden in a Box program to promote outdoor water conservation. The cost to the District is \$1,600 and we can provide 25 low-water use gardens to residents with \$25 off coupons.
