

**GM Report**  
**PVH Subdistrict**  
**July 15, 2020**

**Information only**

- We received a request for information related to water availability, inclusion fees, rates and charges from Louviers. Based on the information provided, service to Louviers would use up the District's remaining unused water supply, which would impact our ability to serve potential development closer to the District's current service area.

**Inclusions:**

- No recent requests
