

General Manager's Report March 20, 2019

Information only

Administrative Items:

- I will be out of the office March 22 – 26 visiting family in Iowa.

Information only

Dominion/Sterling Ranch:

- Operations going smoothly overall.
- Will be meeting with Douglas County to discuss remaining engineering/design grant funds to further explore alternatives to improve fire flow capacity to Douglas County property and Plum Valley Heights.
- DWSD has requested RWSD consider a 3-5 year extension of the Agreement to convey flow to Littleton. We are developing a response.
- Sterling Ranch Community Authority Board has requested a tour of the water treatment plant to assuage resident concerns with discolored water.
- Sterling Ranch Community Authority Board requested expedited completion of annual Water Quality Report (formerly the Consumer Confidence Report); we agreed to this request but we have clarified contractual obligations with DWSD.

Information only

Inclusions:

- No current requests for inclusion. Continue discussions with the property owners on Rampart Road and with the Haberers with regard to their property on Roxborough Park Road.

Information only

Ravenna:

- Phase 2 water line work nearly complete
- Still investigating potential solutions to issues with valves in several locations in Ravenna.
- Castle Rock has informed us there will be delays in their ability to provide water to Ravenna Golf Club this spring. Scheduled meeting with Castle Rock and Ravenna to discuss.
- Updated list of properties with curb stop/meter pit issues has been provided to Ravenna.

Information only

Raw Water Irrigation:

- The Colorado Water Conservation Board (CWCB) has approved a \$46,275 grant to fund a feasibility study for replacement of the Lambert Reservoir dam.
- Still waiting to hear from Aurora on amendment to agreement to remove RWSD facilities from Rampart Reservoir and build a new pump station that can access both the Aurora transmission line and the Ravenna pipeline.

Information only

Public Outreach:

- Continue to promote the Garden in a Box program on Twitter and Facebook.
- Blog post on water quality in late February; post on rates being drafted.
- Presented to Leadership Douglas County on March 6 on Colorado Water Law and regional water projects.
- Developing a “live map” for the website that will show every location where water quality is monitored and most recent results of monitoring.
