

**GM Report  
PVH Subdistrict  
January 16, 2019**

**Information only**

**New Connection Summary:**

- There were 3 new connections in the 4<sup>th</sup> Quarter of 2018. One of those connections was the Douglas County Emergency Vehicle Operations Center on Moore Road, and no reimbursement is due the County for this connection. A total of \$2,529.18 is due Douglas County for the County's tap fee (\$1,264.59/EQR x 2 connections).
- Thus far a total of 212 connections have been made throughout the Subdistrict, which includes 1 EQR for Catapult Industries/Voyager Trailer and Douglas County's building. There are 77 existing residential properties remaining that must connection by 8/1/2019.
- In addition, we will begin assessing Availability of Service Charges for all vacant lots in the Subdistrict effective 8/1/2019.
